M A R I T I M E M A G A Z I N E

As a leading publisher of B2B press and trade fair publications in Poland, in 2017 we are preparing two special editions of the **Poland@SEA** magazine to be distributed at the following events: OTC Houston USA, Nor-shipping Oslo Norway, Baltexpo Gdansk Poland, SPE Offshore Europe Aberdeen Scotland, Neva St. Petersburg Russia and Europort Rotterdam Netherlands.

These magazines are aimed to promote business entities which operate in the maritime industry in Poland and to put their products and services under the spotlight. **Poland@SEA** is dedicated to both - exhibitors and non - exhibitors who intend to distinguish their solutions offered for the market.

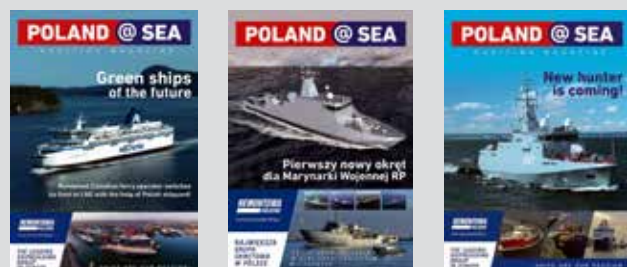

In the magazine we are focused on the most interesting and innovative projects executed within the maritime sector in Poland. For all our customers and trade partners, their presence in the **Poland@SEA**, the only magazine of this kind issued since 2004 is therefore an excellent opportunity to promote their comprehensive offer and to reach their target groups.

No matter, if you are a Polish or a foreign company operating in our country - **Poland@SEA** is for You! You can send us an advertisement or entrust preparation of your module to us from the provided materials at no additional charge. We also offer - as a bonus - publication of an additional advertorial/ sponsored article at no extra cost, according to our advertising offer.

In 2016 we issued three editions of the **Poland@SEA** which have been met with great interest of our Clients.
