

# Advertise in **POLAND @ SEA** in 2018

M A R I T I M E M A G A Z I N E

As a leading publisher of B2B press and trade fair publications in Poland, in 2018 we are preparing three special editions of the **Poland@SEA** magazine to be distributed at the maritime trade fairs.

These magazines are aimed to promote business entities, which operate in the maritime industry in Poland. Poland@SEA is dedicated to both - exhibitors and non - exhibitors, who intend to put their products and services under the spotlight.

For all our customers and trade partners, their presence in the Poland@SEA, the only magazine of this kind, issued since 2004, is therefore an excellent opportunity to promote their comprehensive offer and to reach their target groups.

No matter, if you are a Polish or a foreign company operating in our country - Poland@SEA is for You! You can send us an advertisement or entrust preparation of your module to us from the provided materials, at no additional charge. We also offer - as a bonus - publication of an additional advertorial/ sponsored article.

In 2017 we issued two editions of the Poland@SEA, which have been met with great interest from our Clients.

We cordially invite You to have a look at advertising modules and our price list.

Please be advised that no claims will be accepted for print-ready advertisements, submitted after the advertising material submission deadline, specified in the schedule.

Yours faithfully
